

The Mouthy IP Resources Episode 22: CDC Division of Oral Health

Summary:

The team had the pleasure of interviewing Gregory Holder, MPH, a Public Health Analyst from the CDC's Division of Oral Health. Greg was able to provide some interesting insight into the world of the CDC as well as provide great resources for dental healthcare providers on infection control and CDC's work in the development of a national action framework for medical-dental integration.

The contents and conclusions of this podcast are those of the authors and do not necessarily represent the official position of the Centers for Disease Control and Prevention.
