

Infection Control Assessment
and Promotion Program

Nebraska Infection
Control Network

Primary Infection Prevention - Two Tracks!

**Track 1: Prevention for All Health Care Settings, Acute Care Hospital,
Ambulatory Care & Surgical Centers**

**Track 2: Prevention for All Health Care Settings and Long-Term Care
and Assisted Living Facilities**

**We are on the road this time in Kearney, Nebraska!
Join our "Road Show!"**

Program Details:

The Nebraska Infection Control Network (NICN) Primary Infection Prevention course offers a combination of lectures, discussions, and educational activities on the prevention and control of infections in various healthcare settings. We welcome nurses and any other healthcare providers interested in learning more about the core components of infection prevention and control in healthcare settings. The first day will focus on infection and prevention for all healthcare settings, and all attendees will be together for this day. Day two will focus on Acute Care Hospital, Ambulatory Care & Surgical Centers, or Long-Term Care and Assisted Living Facilities.

Registration Options:

These options will be available to purchase along with your registration (some options are included for scholarship recipients, and event planners/presenters. Please see each registration page for details):

- Printed copy of the presenter slides
- "Road Show" unisex t-shirt
- Admission to a Networking Open House Event at the end of the first day. This networking event is a great opportunity to mingle with the NICN faculty, board members, the NICN/ICAP teams, and other conference attendees. You'll have the chance to ask questions, make new connections, and even learn about some additional resources that could be helpful. The location is yet to be determined and will be emailed directly to registrants.

When you register, the handouts, t-shirt, and networking open house options will be available to purchase.

Location: All events are at the Younes Conference Center South, 416 W Talmadge Rd, Kearney, NE 68845.

Primary Infection Prevention Track One: Prevention for All Health Care Settings, *Acute Care Hospital, Ambulatory Care & Surgical Centers*

Dates/Times: Wednesday, October 18, 8:00 am to 5:00 pm, and Thursday, October 19, 8:00 am to 4:00 pm

Value: \$600.00 Cost: \$300 with the option to purchase a book, a t-shirt, and/or a ticket to the reception for additional fees. If you choose not to purchase a booklet, the handouts will be available in the 'Course Materials' section of the registration page.

Primary Infection Prevention Track Two: Prevention for All Health Care Settings, *Long-Term Care, and Assisted Living Facilities*

Learners who attend the full course (two days) have the option to obtain a Long-Term Care certificate of knowledge validation by taking a written post-test after the training. This certificate is issued by NICN in collaboration with Nebraska ICAP and Nebraska DHHS Epidemiology Unit, and it is valid for three years. The post-test will be administered at the conclusion of day two Long-Term Care & Assisted Living session. There is no additional cost for this. There is no continuing education offered for this test. The test will start at 4:00 pm.

Dates/Times: Wednesday, October 18, 8:00 am to 5:00 pm, and Thursday, October 19, 8:00 am to 4:00 pm If you choose to take the post-test, that starts at 4:00 pm.

Value: \$600.00 Cost: \$300 with the option to purchase a book, a t-shirt, and/or a ticket to the reception for additional fees. If you choose not to purchase a booklet, the handouts will be available in the 'Course Materials' section of the registration page.
