WHAT IS ACTUALLY WORSE? VS. WHAT IS SIMPLY FRUSTRATING?

WHAT IS BENIGN?

WHAT IS CONTAGIOUS?

Continuing Education: 1.25 contact hours awarded. Michael M. Wallace, Director, Approved Provider #001231 - Nebraska Behavioral College. Professional Development: 1.25 contact hours awarded for a total of having continuing professional development by the National Healthcare Decision, an initiative approved by the Nebraska Infection Control Center's Commission on Accreditation.

This session is jointly provided by Nebraska Behavioral College, Professional Development, The Nebraska Infection Control Network (NICN), and the Infection Control Assessment and Prevention Program.
