

Access Related Blood Stream Infection (AR-BSI)

[PrevYr] AR-BSI SIR _____ # of infections _____

[Current Year] AR-BSI SIR: _____

Q1	Q2	Q3	Q4
SIR # _____ Infections _____	SIR # _____ Infections _____	SIR # _____ Infections _____	SIR # _____ Infections _____

SIR = Standardized Infection Ratio

If the number is **HIGHER** than 1, we have **MORE** infections than we should.

If it's **LOWER** than 1, we have **FEWER** infections than the national average.
